The image displays two side-by-side screenshots of a mobile application interface, likely from an App Store, showing a list of categories and a search results screen.

Left Screenshot (Top): The title bar shows "11:33" and "App Store". A search bar at the top contains the placeholder "Search". Below the search bar is a grid of 15 rounded rectangular buttons, each containing a technology term: python, java, excel, sql, javascript, digital marketing, power bi, aws, react, sap, c#, and photoshop. Below the grid is a list of categories, each preceded by a small number and a right-pointing arrow:

- 1 Development
- 2 Business
- 3 Finance & Accounting
- 4 IT & Software
- 5 Office Productivity
- 6 Personal Development
- 7 Design
- 8 Marketing
- 9 Lifestyle
- 10 Photography & Video
- 11 Health & Fitness
- 12 Music
- 13 Teaching & Academics

Right Screenshot (Bottom): The title bar shows "11:33" and "App Store". At the top, there is a grid of 10 rounded rectangular buttons: python, java, excel, sql, javascript, digital marketing, power bi, aws, react, sap, c#, and photoshop. Below the grid is a list of categories, each preceded by a small number and a right-pointing arrow:

- 14 Development
- 15 Business
- 16 Finance & Accounting
- 17 IT & Software
- 18 Office Productivity
- 19 Personal Development
- 20 Design
- 21 Marketing
- 22 Lifestyle
- 23 Photography & Video
- 24 Health & Fitness
- 25 Music
- 26 Teaching & Academics

Bottom Navigation Bar: Both screenshots show a navigation bar at the bottom with five icons: "Featured" (star), "Search" (magnifying glass), "My learning" (play button), "Wishlist" (heart), and "Account" (user icon).
